Subject- : Registrations for watching live streaming of Republic Day Parade and Beating Retreat Ceremony 2022

Dear Parents

Greetings!

Keeping in view the recent surge in COVID Cases, Ministry of Defence has taken initiative to invite the citizens for watching the live streaming of Republic Day and Beating the Retreat Ceremony and to show their solidarity to the Republic of India.

Ministry of Defence has developed a website <http://www.indianrdc.mod.gov.in/> and a You Tube channel, "Indian RDC" to host the events virtually. You can register yourselves and your family members on the web page designed by MyGov through an OTP based authentication through Mobile for watching the online streaming of Republic Day and Beating the Retreat ceremony 2022 on MyGov website.

A digital certificate will be jointly issued by MoD and MyGov to the user upon successful registration. The registration will enable the users to get the live-stream link for the RDC Parade along with various updates on Republic Day activities on their registered Mobile Number.

After the closure of events, an online poll will be started on MyGov for selection of best contingents and activities performed during the Republic Day Parade and Beating the Retreat on the basis of public votes. This poll would be made available to only those users who register themselves to watch the live streaming of RDC and BRC 2022. The URL for the same is <https://www.mygov.in/rd2022>.

Hope to have a maximum participation.

Stay safe, Stay blessed,

Regards
