

JP INTERNATIONAL SCHOOL GREATER NOIDA

SESSION- 2022-23

Circular no – JPIS/22/017

Date- 29th June 2022

Dear Parents,

At JPIS, it has always been our endeavor to apprise you with our vision and planning.

1. We are pleased to inform you that we have introduced special 45 mins session on current affairs for the students of classes V to X every Friday.
This has been specially done to help the children to acquaint with International affairs which would also help them in public speaking/ MUN/ Essay writing etc. Children have to maintain special notebook for this, please note it will be checked in the same period.
2. To further enhance the reading skills of the students, we have introduced a regular English activity- Read along/Read with me in the junior classes from I to VIII. Students will be randomly called from any class to assess their reading skills.
Following is the schedule for the same:
3. To develop numeracy skills in the students of Grade I-VIII, Mental Maths will be done regularly during the mathematics period and students will write a class test in the notebook on any random day of the week.
4. One smart board period will be allotted for Language subjects used for mass reading and enhancement of English Grammar and for mathematics for dodging with tables etc.
5. "Word of the day", exercise will be followed extensively across all grades and would reflect on the blackboard and from grade V onwards, synonym and antonym of the word would also reflect on the board.

We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential.

Regards

Ms. Ruby Chandel (Principal)
