

JP International School, Greater Noida
Session-22-23

December 27th, 2022

Circular No: JPIS/22/118

Dear Parents,

In view of the rising cases of COVID in NCR, we must take preventive measures to avoid its further spread,

You are therefore requested to follow the advisory given below to keep your ward, your family and the teachers safe and protected. Please make sure that:

1. Your ward wears a mask every day. Put an extra mask in his/her bag for emergency.
2. Your ward should carry his/ her own lunch box/ snacks/stationery items and abstain from sharing them with each-other.
3. Your ward should carry a fully filled water bottle (1lit.) to avoid sharing and crowding near water coolers during break.
4. Please do not send the child to school if he/she is suffering from cold/cough/fever. Do inform the school regarding the illness so that necessary steps can be taken for ascertaining the safety of other students.

Your cooperation in making a safe and disease-free environment is anticipated. Together we can make this endeavor a success.

Regards

Ms. Ruby Chandel
