Dear Teachers and Students,

We are pleased to announce a Mother's Day Art Competition for students of classes IX to XII. This competition is designed to provide a creative platform for our talented students to showcase their artistic skills and express their love and gratitude towards their mothers.

The theme for the competition is "Celebrating the Strength of Motherhood." Students are encouraged to use their imagination and creativity to create artwork that reflects the essence of motherhood, strength, and resilience.

The competition will be judged based on creativity, originality, and relevance to the theme. Three winners will be selected, and they will be awarded certificates of appreciation

Here are some guidelines for the competition:

1. The competition is open to students of classes IX to XII who have shown a keen interest and talent in art.
2. There are two topics, one has to be chosen by the students.
3. The artwork can be done using any medium such as pencil, charcoal, watercolours, acrylics, or digital art.
4. The size of the painting should be A3 or A2.
5. The size of the memory book will be A4.
6. The name, class, and section of the student should be mentioned on the back of the artwork.
7. The artwork should be submitted to the Art Teacher.

We hope that all students will participate in this competition and create beautiful artwork that reflects their love and appreciation for their mothers.

Best Regards

Ms. Ruby Chandel
