SESSION: 2023 – 2024**

Date – 10/07/23

Circular No. – JPIS/23/59

Dear Parents,
Namaskar

As per the CBSE circular for introduction of skill Module for students under NEP 2020, We are pleased to announce that we are incorporating Pottery as a skill subject for students from class I to VIII. Pottery is a wonderful art form that encourages creativity, enhances motor skills, and fosters an appreciation for craftsmanship. By introducing pottery as a skill subject, we aim to provide our students with a well-rounded education that goes beyond academics.

To ensure the safety and cleanliness of our students during pottery classes, we kindly request parents to send an apron for their ward on the designated pottery class day. The apron will help protect their regular school uniform from any accidental spills or stains that may occur during the pottery sessions.

Regards,

Ms. Ruby Chandel (Principal)
