

**JP International School, Greater Noida
Session 2024-2025**

Date: 16/04/24

Circular No: JPIS/24/08

Dear Parents,

Namaskar!

We are excited to announce a Poster Making Competition for our young artists in Grade I and II. The competition is scheduled for **April 19th**, and the theme is "**Save Earth.**"

This is a wonderful opportunity for our students to express their creativity while also raising awareness about the importance of environmental conservation.

Please ensure that your child brings their own pencils and colors for the competition. The school will provide the sheets for the poster.

We encourage all parents to support and encourage their children to participate in this meaningful event.

Thank you for your cooperation.

Jai Hind

Ms. Ruby Chandel (Principal)
