Dear Parents,
Namaskar!

Congratulations on your ward being promoted to the primary wing!

Transitioning to the primary wing marks an exciting new chapter in your child's academic and personal growth. As your child gears up to tackle their formal exam in grade III, we want to apprise you some guidance on how you can best support them during this time, especially considering **they will be writing directly on their answer sheets instead of worksheets.**

Familiarize your child with the answer sheet format they'll be using during the exam (Please refer to the pics attached) Practice filling in the spaces neatly and accurately to ensure they understand the process.

Please note-

- Name, Class/Section, Roll No, Subject, Date and Room No to be filled in by the students correctly.
- Numbering of answers to be written as per the questions attempted to the left of the margin.
- There are total 3 pages in a single sheet to write the answers. However, if the child feels that he/she requires more space for writing then they can ask for Sheet B. It consists of 4 pages.
- Students need to fill their Name, Class /Section given on the first page of Sheet B and start writing the answers.

Ample practise will be given in the class. We will also give them extra time during the exam for the same.

Emphasize the importance of clear and legible handwriting.

Ensure your child has all the necessary materials ready for the exam, such as pencils, erasers, rulers, and any other tools they may need.

We look forward to continuing this journey together and witnessing the continued growth and success of your child.
