

MESSAGE FROM PRINCIPAL'S DESK

**Dear Students,
Namaskar**

“If you are going to achieve excellence in big things, you develop the habit in little matters. Excellence is not an exception, it is a prevailing attitude.” – Colin Powell

Greetings from JP International School, Greater Noida!

‘Excellence’, in reality, is associated with eminence which persuades us to gain efficiency in education and in learning and as we commence a new chapter in our academic journey towards excellence, I feel ecstatic to welcome you to the vibrant community of JP International School, where ideas flourish and dreams take flight.

JP International School, one of the premier CBSE schools in the country, is more than just a place of education; it is a stage for achievement, and a heaven for personal growth. The school provides a supportive and inclusive environment which encourages our students to embrace curiosity, cultivate resilience, and strive for eminence in both academics and character.

The well-orchestrated ideations of our teaching professionals motivate each young mind to actively engage in the diverse educational experiences our school offers, fostering a love for knowledge that extends beyond the classroom.

In our ceaseless endeavor to nurture various aspects of a student’s personality, while we will be continuing with the Benesse, Olympiads, Atal Lab, Smart Classes and various clubs as parts of the co-scholastic activities, in the upcoming session, we would keep exploring many more activities, like ‘Spell Bee’ & ‘Mind War’ to sharpen their linguistic abilities, at the same time.

With the wish to have a year of inspiration, resilience, and success, I look forward to witnessing the achievements and milestones that will undoubtedly define this academic year, with all the students, the management of the school, the teaching staff and the members of our Parents Association.

Thank you for being essential partners in creating exhilarating success stories!

Heartfelt Congratulations to Alok Yadav! 🌟🎉

We are immensely proud of our student, **Alok Yadav** (XI NM 2024-25), for his outstanding achievement in clearing the Indian Olympiad Qualifier in Mathematics (IOQM) and qualifying for the Regional Mathematics Olympiad (RMO)! 🏆📚

Alok, your dedication and perseverance have made you one of the 180 selected students from your region—a true warrior of knowledge! 🔥 The pinnacle of success indeed bows before your zealous efforts. Keep shining and aim higher! 🚀

Aarambh - Pehla Kadam

JPIS organized Aarambh - Pehla Kadam, an event for pre-primary students from various schools, on December 6, 2024, at the JPIS premises. The event saw more than 220 participants showcasing their talent through enthralling and mesmerizing performances on stage.

Aarambh - Pehla Kadam provides a platform for junior students to exhibit their abilities before educators and facilitators. The event began with a lamp lighting ceremony, followed by the Ganesh Vandana. The blessings of Lord Ganesha seemed to permeate the air as budding artists presented their performances in events like the Rampion - Ramp Walk, Rhapsody: Show and Tell, and Rangstar - Colouring, which filled the stage with magic and creativity.

The students were honored for their talent and participation, and the winners of the three events were awarded special prizes along with certificates. The judges, Ms. Shikha Shukla and Ms. Zinat Nisha, appreciated the school for expanding the learning opportunities for young students.

Achievements of JPian's

"Participate once and become the winners, because opportunity makes us winners of all times."

On 3rd October 2024, our students participated in an Inter-School competition held at Cambridge School, Indirapuram, where JPIS students showcased remarkable skills and enthusiasm across all events. Notably, they excelled in the Sell of Showdown event, securing the First Prize with their exceptional presentation and negotiation abilities.

Participation in this competition has been a rewarding experience for our students, and JPIS takes immense pride in their accomplishments.

This event not only highlighted the talents of our students but also strengthened bonds among participants from various schools.

Citation Ceremony

JPIS Organizes Citation Ceremony for Class XII Batch of 2024-25 As the year draws to a close, JP International School celebrated its annual Citation Ceremony for the outgoing class XII batch of 2024-25 on December 14, 2024, marking a poignant moment where joy and sorrow meet. The ceremony, a blend of nostalgia and excitement for the future, acknowledged the students' achievements.

The event began with the lamp lighting ceremony, invoking blessings from Goddess Saraswati for the students' success. Dr. Amit Saxena, CEO of Sparsh Group, delivered an inspiring speech, emphasizing the importance of hard work and determination in achieving future goals. The Citation Ceremony was held in the school hall, with parents beaming with pride as their children prepared to receive the prestigious citations. The Principal, Ms. Ruby Chandel, addressed the gathering with heartfelt words that blended sadness over the upcoming separation and pride in the students.

Competitions

“The natural environment sustains the life of all beings universally.”

Our students participated in the Wild Wisdom Challenge to enhance their knowledge and promote conservation efforts around reptiles. This challenge aligns with the Sustainable Development Goal 15 (SDG)

The challenge has different levels. At the school level, 30 students participated and secured a spot to advance to the second level. In the second level, Minali from Class IX B and Ashu Bhati from Class VIII A were selected to represent our school at the state level competition. At the state level, the students competed at the Kamini Auditorium in Delhi. Out of 176 schools, our students achieved a 5th place finish. This result demonstrates the relevance and impact of the Wild Wisdom Challenge in enhancing students' understanding and appreciation of reptile conservation.

Rangoli Competition

The Art Department of JP International School organized a vibrant Inter-House Rangoli Competition, celebrating the spirit of Diwali.

The students of all the four houses- Kartikey, Prahlad, Dhruv and Eklavya actively participated and won different ranks.

Our talented students displayed their artistic skills and enthusiasm in every design. The Diwali celebrations were enriched with meaningful SDG learning through classroom activities like Diya and Thali decoration, Toran-making, and Rangoli on paper. These activities encouraged creativity, teamwork, and cultural appreciation, making the event a grand success!

Clay Modelling

"Creativity blooms where little hands shape big ideas." Our Pre-Primary Wing at JPIS recently immersed young learners in a clay modelling activity that brought values to life through two meaningful themes: "Sea Scene" and "Fruit Basket." Inspired by the SDGs, this activity aligned with SDG 14: Life Below Water and SDG 3: Good Health and Well-Being. Through the "Sea Scene" theme, children crafted vibrant marine life, from fish to coral reefs, fostering an early appreciation for underwater ecosystems. This creative exploration highlighted the importance of marine conservation, encouraging empathy and responsibility for our planet's waters.

The "Fruit Basket" theme allowed children to shape clay fruits, learning about the benefits of a healthy diet in a fun, hands-on way. Teachers discussed how nutritious foods like fruits keep us strong and healthy, introducing the values of well-being and self-care. This activity not only honed fine motor skills but also instilled values of environmental respect and healthy living.

This creative experience allowed our young learners to connect with essential values of environmental protection and healthy living, showing that hands-on activities can foster both imagination and a deeper understanding of our world.

Rhyme Recitation

"Little voices, big dreams, and rhymes that gleam!"

The young learners of JP International School, from Nursery to UKG, showcased their talent and creativity in an engaging Rhyme Recitation Activity. The tiny tots were dressed in vibrant costumes and adorned with props that matched the theme of their chosen rhymes, adding a delightful visual element to their performances.

With their melodious voices and expressive recitations, the children captured the hearts of the audience, demonstrating confidence and enthusiasm. The event was conducted with great energy, and the active participation of every child was a testament to their excitement and preparation.

Taekwondo Belt Test

The Taekwondo Belt Test at JP International School was a remarkable showcase of discipline, perseverance, and skill, with 25 students from grades I to V participating in the event. After weeks of rigorous training under expert guidance, the young martial artists confidently demonstrated their mastery of stances, strikes, and forms, reflecting their dedication to the art. Dressed in crisp white uniforms, the students performed with precision and focus, embodying the core values of Taekwondo. The Belt Test was not just a step toward achieving a new rank but a celebration of the students' commitment to self-improvement and the principles of this ancient martial art.

Inter-School Competition

On 13th and 14th December 2024, our students participated in an Inter-School competition held at Modern School, Greater Noida; it was a two day event, where JPIS students showcased remarkable skills and enthusiasm across most of the events. Notably, they excelled in the Sell of Showdown event, securing the First, Second and third Prize in seven different events with their exceptional performances.

Participation in different competitions like Dance, Drama, Singing, Fancy dress, Art & craft etc. has been a rewarding experience for our students of Pre- primary to grade 11th and JPIS takes immense pride in their accomplishments. JPIS students also won the *Winner Trophy* This event not only highlighted the different talents of our students but also strengthened bonds among participants from various schools.

Robo-Quest Inter-School Competition

Our budding innovators participated in the thrilling Inter School RoboQuest Competition by Kreativitiy League, a STEM initiative hosted by Sparsh Global School.

This dynamic competition challenged students to design and build robots capable of navigating a series of hurdles and successfully picking up three blocks in the shortest time possible. Our students, who had been diligently preparing for weeks, showcased their engineering brilliance and teamwork as they competed alongside students from other schools. The event was not only an exciting platform for competition but also a valuable learning experience, fostering creativity, problem-solving, and technological skills.

We are incredibly proud of our students for their hard work and dedication. Their participation in such events highlights the importance of hands-on STEM learning and encourages them to dream big and innovate for the future!

Dadi Maa Ka Pitara

The Pre-Primary wing of JP International School recently hosted a delightful storytelling session titled Dadi Maa Ka Pitara, centred around the epic Ramayana. To bring this timeless tale to life, the teachers presented an engaging puppet show, featuring large, beautifully crafted puppets of key characters such as Ram, Sita, Lakshman, Hanuman, and Ravan. Each puppet was meticulously created by the teachers, making the storytelling visually captivating for the young learners.

The interactive puppet show introduced students to the significant events and values of the Ramayana in a fun and engaging way. The children were thoroughly excited as the vibrant puppets brought the story to life. Additionally, the session featured creative craft activities related to Nav Durga. Nursery students made Kalash with leaves and filled colors in Nav Durga faces, while UKG students crafted figures of Ravan, Meghnath, and Kumbhkaran using different shapes.

The children's active participation made the session even more immersive and enjoyable. It was a memorable and fun-filled learning experience, leaving a lasting impact on the students.

Celebrations

The Pre-Primary wing celebrated Dussehra with great enthusiasm today, aiming to instill an appreciation of our culture and traditions in young students. The event began with the sacred Nav Durga Stuti, setting a spiritual tone. This was followed by a powerful enactment of Mahishasura Vadh, which left parents in awe and gave them goosebumps with its impactful performance. The students also presented episodes from the Ramayana, bringing to life the timeless tale of good triumphing over evil. A lively Hanuman Ji song and an energetic Garba

Christmas Celebration

Christmas Celebration - Spreading Joy with Purpose! 🌟🎄

This Christmas, JP International School celebrated the festive spirit with a meaningful touch, connecting the joy of the season to the Sustainable Development Goals (SDGs) of Quality Education, Peace, and Strong Communities.

The celebration was marked by vibrant dance performances on "Jingle Bells", a heartfelt skit showcasing the story of Jesus' birth, and the joyous ringing of the Christmas bell, symbolizing hope and unity. The corridors echoed with laughter, happiness, and the spirit of giving, reminding us of the importance of fostering love, compassion, and harmony.

Through this celebration, our students not only spread festive cheer but also embraced values of inclusivity and togetherness, aligning with the SDG goals to create a better world.

Wishing everyone a Merry Christmas and a season filled with love and positivity! 🌟🎁

Special Assembly

Special Assembly on National Nuts Day at JP International School by Class IV A students.

On October 22nd, the students of Class IV A at JP International School Greater Noida held a special assembly in celebration of National Nuts Day. Through engaging role plays, students highlighted popular nuts like almonds, cashews, figs, raisins, and walnuts, each sharing interesting facts and benefits of these nutrient-packed foods. Their enthusiastic performances were highly appreciated by the Principal and the school coordinators, who praised the students' efforts and creativity.

National Nuts Day, observed on October 22nd each year, aims to raise awareness of the many health benefits and nutritional value of nuts. Nuts like almonds, walnuts, cashews, and pistachios are rich in healthy fats, proteins, vitamins, and minerals, promoting heart health, brain function, and overall well-being. This day also emphasizes sustainable nut farming and encourages the inclusion of nuts in our daily diet.

Maths Week

Mathematics Week at our school was a vibrant celebration, bringing math to life for students from Grades 3 to 8 through engaging, hands-on activities that revealed its role in nature, art, and daily life. Grade 3 students explored patterns and symmetry in the school garden, discovering 'Math in Nature.' Grade 4 took on two creative projects: building a 'Division Machine' to visualize division concepts and designing 'Fraction Birds' to learn fractions in a fun, visual way. Grade 5 blended math with art by studying angles in classical dance poses. Finally, students in Grades 6 to 8 participated in various activities, including Tangram Challenges, speeches on great mathematicians, and practical geometry by measuring the

Kindness and Compassion Week

"Kindness is a gift everyone can afford to give." Guided by this belief and JPIS school's **Three C Model** for holistic education—with a core focus on **Character Building**—our students celebrated **Kindness and Compassion Week** from 4th November till 8th November through activities that fostered empathy, gratitude, and compassion, aligning with **Quality Education and SDG 16: Peace, Justice, and Strong Institutions**. Nursery students initiated a **Circle of Kindness**, discovering how small, thoughtful actions can spread joy. LKG students crafted a **Kindness Heart Collage**, symbolizing the unity and warmth that kindness brings. UKG children participated in a **Compassionate Puppet Play**, exploring empathy and the importance of supporting others. Grade 1 students took a **Kindness Pledge**, promising to make kindness a priority in their daily interactions. Finally, Grade 2 students created a **Gratitude Garden**, filling it with heartfelt notes of appreciation for people and moments they cherish.

The aim of this week was to nurture empathy, kindness, and gratitude within each child, fostering a sense of responsibility toward others and the world around them. This week

encouraged students to recognize that even small acts of kindness can have a big impact, helping to build a harmonious, supportive community. Through collaborative activities, students developed empathy by understanding and respecting others' feelings and perspectives. They learned to appreciate the people and moments that bring value to their lives, fostering an attitude of gratitude. Embracing kindness as a daily practice, children realized the positive power of their actions and words.

By the end of the week, students gained a deeper commitment to creating a caring, inclusive environment, laying the foundation for them to become compassionate, responsible global citizens.

Language Week

From November 5th to 8th, JP International School, Greater Noida, celebrated Language Week with an exciting lineup of activities in English, Hindi, and Sanskrit, engaging students in creative, expressive, and culturally enriching experiences.

In English, students participated in diverse activities designed to build their confidence and public speaking skills. Class III began with a Little Poets Parade, reciting poems with creative props, while Class IV took part in Fable Factory, narrating stories to enhance empathy and imagination. Class V students delivered speeches in Echoes of Eloquence, sharing their thoughts on topics like "Why Books Are Better Than Screens." Class VI presented a skit titled The Tense Adventure, focusing on correct tense usage, and Class VII put on a lively Radio Show, featuring segments such as news, debates, and storytime, which encouraged teamwork and scriptwriting. Class VIII took to the stage for a role-play of Julius Caesar, bringing literature to life with dramatic expression and poise.

In Hindi, students enjoyed activities like ठाहाको की महफ़िल for Class IV, where they recited humorous poems with expressive gestures. Class V participated in मुहावरों का मेला, presenting idioms in creative scenarios to make language use more vibrant and relatable. Class VI explored grammar concepts through a musical activity, हिंदी के रंग, व्याकरण के संग, covering nouns, pronouns, verbs, and adjectives in a memorable way. Classes VII and VIII performed skits and role-plays on topics such as कारक भेद (cases) and Krishna Bhakti poetry, strengthening their grasp of Hindi grammar and literature while promoting group collaboration.

Children's Day Celebration

"Each child is unique, with unique qualities. To celebrate their individuality, a special day is called 'Children's Day.'"

On November 14, 2024, JP International School in Greater Noida celebrated Children's Day with immense enthusiasm, paying tribute to the legacy of India's first Prime Minister, Pandit Jawaharlal Nehru. The celebrations were marked by joy and excitement for students from Pre-Primary to Grade XII, emphasizing the importance of nurturing every child's unique talents and potential.

The day began with a heartfelt morning assembly where students offered their tribute to their beloved Chacha Nehru. Teachers sang special songs to celebrate the occasion, filling the air with warmth and affection. In the Pre-Primary section, children engaged in fun, hands-on activities such as swinging and playing with their teachers. Each student received an appreciation certificate from the Principal, who applauded their innocence, playfulness, and love for their peers and teachers.

The excitement continued throughout the day with a variety of talent-rich, playful activities. Students participated in fun challenges like the Paper Dance, Balancing the Book, Musical Chairs, and the Cup Tower challenge. Other activities included the Spoon and Lemon race, which tested students' focus and coordination, as well as Balloon Balancing and Cup Stacking, promoting teamwork and quick thinking.

Workshops

Nutrition Workshop at JP International School: Building Healthy Habits from a Young Age

On October 8, 2024, JP International School hosted a highly informative and engaging Nutrition Workshop for students in grades 1 to 5, led by Ms. Nandini Sikka, a certified nutritionist with over five years of experience. Ms. Sikka, who has worked extensively in hospitals across Delhi and has shared her knowledge through health camps and online platforms, was warmly welcomed to the school community.

Ms. Sikka captivated the young students with a vibrant presentation on the importance of healthy eating, emphasizing how a balanced diet contributes to their overall well-being. She explained why it's essential to avoid junk food, discussed the components of a healthy diet, and highlighted the importance of drinking plenty of water to stay hydrated and support bodily functions.

One of the workshop highlights was a quiz conducted by Ms. Sikka, where students participated with enthusiasm and displayed a keen interest in making healthier choices. This engaging session encouraged students to think critically about their daily eating habits and motivated them to make positive changes.

Educational Workshop

An educational workshop is a bridge to new knowledge, where curiosity meets opportunity and learners become leaders'

JP International School hosted an insightful "Master Class in Career" session for parents and senior-grade students on 9th Nov, 2024. The event commenced with a traditional lamp-lighting ceremony, setting a positive tone for the learning experience that followed. This session aimed to equip students and parents with valuable knowledge about future academic and career choices.

The Master Class in Career was divided into two segments, one for students of grades IX and X, followed by a second session for grades XI and XII. Leading the session was Mr. Praveen Kumar, an esteemed educational leader with over 25 years of experience in academic management and operations. Mr. Kumar, known for his innovative approach in merging technology with education, shared valuable insights into futuristic opportunities that enable students and parents to make informed decisions. His background includes prestigious roles as Director at Aakash Educational Services Ltd., Founder and CEO of UVA Institute Pvt. Ltd., and Program Director at Educomp Ltd. A holder of a Master's in Thermal Engineering from Delhi College of Engineering.

ATL Club

ATL Club, JP International School: Empowering Youth for a Sustainable Future

‘Empowering youth today for a better tomorrow, championing sustainability, and promising a glorious future.’

The ATL (Atal Tinkering Lab) Club of JP International School has taken the initiative to empower and instill responsibility in its students from classes 8 to 12 towards environmental sustainability. In line with this, the ATL Club has planned a wide range of activities aimed at addressing a critical issue—the rapid growth of e-waste and the lack of sustainable solutions for its disposal.

On 1st and 3rd October, the ATL Club launched the Generation Green Campaign, an initiative by AICTE and AIM in collaboration with OPPO under the banner of IMIB, held on the school campus.

The event left a significant impact on those who participated. The highlight of the campaign included a Poster Making Competition on the theme of e-waste management, where students showcased their creativity and concern for the environment. Both students and teachers took the Gen G Pledge, marking their commitment to responsible e-waste disposal. The inauguration of the e-waste bin and a successful e-waste collection drive further emphasized the campaign's mission to ignite awareness and action among young minds for a sustainable future.

Interact Club

‘परवाह अपनों की’ Donation Drive by Interact Club of JP International School, Greater Noida

From October 19 to October 28, 2024, JP International School’s Interact Club organized a 10-day donation drive under the title ‘परवाह अपनों की’. This compassionate initiative witnessed the wholehearted participation of parents, students, teachers, and school staff who contributed generously, making the drive a huge success.

In preparation, student volunteers collaborated to create banners, flyers, and other informational material, with invaluable support from the school’s Principal, Ms. Ruby Chandel, and the management team. As the days progressed, the drive gained momentum, resulting in a substantial collection of essentials, including food items, lentils, snacks, clothing, toys, books, and more.

The culmination of the drive took place on October 28, when students divided into two groups to visit local NGOs. One group visited the Ramlal Old Age Home in Greater Noida, where they donated numerous cartons filled with food items, snacks, and clothing. Students also spent quality time with the residents, engaging in conversations and activities that brought joy and comfort.

Simultaneously, a second group visited NGO Aadharshila, also located in Greater Noida. This team donated books, toys, snacks, clothing, and shoes, creating a sense of excitement and happiness among the children at the NGO. Students took this opportunity to share knowledge, offering brief teaching sessions that enriched the experience for both students and children alike.

Rotary Club

On 16th December 2024, students of the JPIS Interact Club attended the Rotary Club of New Delhi One's Governor's Official Visit meeting in Delhi. During the event, our Interactors delivered an outstanding performance titled "Mother Vs Mobile," which was followed by an Annual Presentation to the Rotary Club Governor and other distinguished guests.

The presentation showcased the efforts made by the JPIS Interact Club in supporting underprivileged children and individuals, emphasizing the importance of "Service Above Self" and nurturing core values. The Interactors highlighted the various initiatives they are involved in, contributing positively to society.

Trips and Excursions

"Learning through exploration unlocks a world of endless possibilities."

Our Nursery to Grade 3 students recently experienced an enriching and fun-filled educational trip, where learning seamlessly blended with adventure. The journey kicked off with a visit to the **True Replica of the Taj Mahal**, where students admired the artistry and history of one of India's greatest monuments, aligning with SDG 4: Quality Education. Through the **artist show**, students learned about the Mughal era, expanding their understanding of cultural heritage.

Next, they entered the mysterious **Treasure of Tut** with its horror theme, giving them a thrilling glimpse into ancient Egyptian history. The **Mirror Maze** sparked critical thinking and problem-solving as they navigated through reflections, sharpening their cognitive skills. In the **Jungle of the Amazon**, students explored biodiversity and the importance of conservation, all while developing a deeper connection to nature and understanding SDG 4's emphasis on quality learning experiences.

The **Unsinkable Titanic** artist show taught important lessons in history and safety, while the visit to the **Chocolate Factory** blended science with fun, allowing students to learn about food production. The **Trampoline Park** and **Sea Ball Pool** offered moments of physical activity, promoting both fitness and well-being, aligned with SDG 3: Good Health and Well-being.

Medical Camp

At JP International School, the well-being and health of our students remain our foremost priority. In alignment with SDG 3: Good Health and Well-Being, we were proud to host a comprehensive Medical Camp in collaboration with the expert team from Promhex Hospital.

The camp provided an excellent opportunity for students to receive quality health consultations, ensuring early detection and awareness about preventive measures. The team conducted general health check-ups, including vision tests, dental examinations, and basic fitness assessments.

This initiative underscored our commitment to fostering a nurturing environment that promotes both academic excellence and holistic health.

IAYP

JP International School has a mission that is the holistic development of each and every student. In chasing the bottom line, the mission focuses on skill-building programs and nurturing well-rounded individuals. Emphasizing on well-formed personalities, recently six students of our school delved into a Residential Project, a crucial component of the International Award for Young People (IAYP).

The students took the responsibility of teaching the young students at Govt. School, Gr Noida, and engaged in teaching sessions with various subjects like Hindi, English, Science, and Math, interactive activities of Science experiments and demonstrations. Apart from academics, games, and competitions, Plantation Drive for environmental conservation and Inspirational interactions with students enthused the teaching and learning atmosphere. This one-week session adorned the persona of our student-teachers which included a string of values in their lives as touching feelings, emotions, patience, sensitivity, thoughtfulness, leadership, teamwork, and so on.

ARTS

An Art Cum Talent Show Organized by the Art & Craft department

On the 19th of October, 2024, the Art and Craft department of JP International School organized a captivating Art Cum Talent Show, which garnered immense attention from parents, teachers, and students alike. The event was unique in its approach, featuring a collaborative activity where students and their parents joined hands to create unique Mandala designs. This activity set the stage for a wonderful display of creativity, patience, and talent, as parents came together to showcase their artistic skills. The highlight of the event was not just the Mandala art but also the incredible Mehendi designs presented by students from grades VI to XII. These students demonstrated exceptional talent, and added a festive charm to the atmosphere, leaving the audience spellbound. Visitors, teachers, and parents alike were captivated by the skill and precision of the young artists and eagerly captured these beautiful moments in photographs, marking the event as a memorable occasion.
