GREATER NOIDA  
SESSION 2020-21

Oct 22<sup>th</sup>, 2020  
Circular No:- JPIS/2020/99

**Subject:-Consent/Undertaking From Parents**

Dear Parents/ Guardians

Namaskar

We are writing to keep you apprised of our plans to begin the phased reopening of our school for classes X and XII students as per the directions issued by the MHA & State Government.

This is in the view of circular issued by **Ministry of Home Affairs vide order No.-40-3/2020-DM-I(A) ,dated 30<sup>th</sup> Sep,2020**, we are lining up to reopen our school for students with the prior permission of parents. As you all know that our school was closed from March due to COVID-19 but teaching/learning process got never interrupted due to pandemic. During these months, online classes were provided to students to complete their syllabus and we were successful in fulfilling our aim. In these classes' theory portion was well covered. But due to the limitations of online method, Practical/Project aspects was not executed properly. Since they play an important role in learning, we want to cover the non-theoretical content as well in the school.

It is our joint responsibility to plan the reopening based on the issued guidelines by Government Authorities and therefore, we must strictly follow to minimize the risk to anyone.

As things stand, we hope to open our doors to our students of Board Classes only. Realizing the above aspects, please let us know whether you would like to send your child to school from 26<sup>th</sup> October.

# Accompanying this letter is a document for getting your Consent /Undertaking. Kindly take a printout of this document, sign it, scan it and send it back on this e-mail id([info@jpinternational.co.in](mailto:info@jpinternational.co.in)) or you can sent it by hand on 26<sup>th</sup> Oct,2020 with your child.

If you have any query then please call us at school.

Thank you for your ongoing support.
