**Subject : Online Revision Sessions for Classes VI-VIII**

Dear Parent,

Warm Greetings!

The school management and committed teachers are putting their best and have succeeded also to replace the real classroom teaching with online Sessions in this emergency of pandemic and sudden closure of schools since the month of March. We are going to begin with rigorous revision sessions for every subject which will be inclusive of recap of the chapters, doubt clearing session and solving of questions based on the Exam pattern.

Kindly note that the online Revision Sessions for Classes VI-VIII will be conducted from 08.02.2021. The aim is to know the learning out come and to plan for further improvisation by teaching the topics again which are not clear to the students and assessing them further in interesting ways .

Please ensure that your ward is regular to revision classes to be able to score better marks in the upcoming final term exams. Revision plan is being uploaded on the Schoofi. Kindly ensure that your ward attends the revision sessions.

Regards

*Suby Chandra*
