Subject: Physical Parent-Teacher Meeting

Dear Parents and Guardians,

Greetings from JP International School, Greater Noida!

We would like to invite you to the Physical Parent-Teacher Meeting which has been scheduled for Saturday, 27th February 2021 from 9 a.m. onwards. This meeting is a valuable chance to meet with your child's teachers to discuss your child's academic performance in the Final Term Exam & Pre Board-II and identify the learning gaps which will pave out the way to improve her/his progress in the next session.

Parents are requested to kindly note the following:

1. To adhere to the given time slots that have been shared by the class teachers to maintain social distancing and smooth functioning of the PTM.
2. Do not assemble at the reception area.
3. Wear a mask and avoid using lift.

We look forward to your continuous involvement in all the teaching – learning endeavours.

Stay safe and feel free to contact the respective Wing HM/Coordinator regarding any academic engagement of your child.

Regards,

Principal
