SESSION 2021-22**

**May 21<sup>st</sup>, 2021  
Circular No:- JPIS/2021/20**

**Subject: Fun with Science – Integrated Stem Activities (Virtual Summer Workshop)**

Dear Parents,  
Namaskar,

We are pleased to announce the commencing of virtual summer workshop for Science Stem Activities. The workshop will be full of interesting activities to help the young minds grasp the concepts better and they can have fun with learning. The workshop is scheduled on 23<sup>rd</sup> May 2021, Sunday and is divided into 3 batches and each batch will perform different activities.

The batches are as follows:

1. **Batch 1:** For Classes 2 to 4  
**Timings:** 9:30 am – 10:30 am  
**Activities:** i) Powerful Structures  
ii) Digest this!  
iii) Any way the wind bows
2. **Batch 2:** For Classes 5 to 6  
**Timings:** 11:00 am – 12:00 pm  
**Activities:** i) Powerful Structures  
ii) Digest This!  
iii) Any way the wind blows!  
iv) VROOM!
3. **Batch 3:** For Classes 7 to 8  
**Timings:** 12:30 pm – 1:30 pm  
**Activity:** DESIGN THINKING

List of requirements and worksheet will be shared with the students. Students are requested to be ready with all the materials required beforehand for the activities.

Stay safe, Stay blessed,  
Regards

Ms. Ruby Chandel
