Subject: Brics Math Online Competition 2021 – reg

Dear Parents & Students,
Namaskar!

JPIS is pleased to inform that the 5th BRICSMATH.COM competition in Mathematics is being held online on the website www.bricsmath.com from September 20 to November 20, 2021.

BRICSMATH.COM is an annual International Online Competition in Mathematics, for students of classes I – XII held in BRICS countries (Brazil, Russia, India, China and South Africa) as well as in Indonesia and Vietnam. The competition is held online on the website www.bricsmath.com and is completely free of charge. To participate in BRICSMATH.COM, a student needs to have access to a computer or tablet connected to the internet.

The purpose of the competition is to cultivate interest in Mathematics and develop logical reasoning skills, as well to unite children from different countries. The fun and interactive tasks of the competition are designed in a child friendly game form. The tasks get the students to think out of the box but do not require any in-depth knowledge of the school curriculum.

Important Dates:

- Preparation round - from April 5 to June 30, 2021
- The trial round - from September 21 to October 18, 2021
- The main round - from October 19 to November 22, 2021

The complete details of the competition are given on www.bricsmath.com.

Looking forward to maximum participation from the students.

Stay safe, Stay blessed,
Regards

Ms. Ruby Chandel
