

## JP International School, Greater Noida

Session-22-23

April 21<sup>th</sup>, 2022

Circular No: JPIS/22/006

### Subject-JP International School collaborates with Benesse India Pvt. Ltd.

Dear Parents,

Warm Greetings!

We, at JPIS, are excited at resuming offline classes. We hope and pray that we have overcome the worst of the pandemic, and that students and teachers can continue their academic discourse without any further interruption.

We are proud and excited to share with you that JPIS has partnered with Benesse India Private Limited, the Indian entity of the Benesse group of Japan. A 65-year-old group, Benesse is the largest education company in Japan, collaborating with 90%+ schools within the country.

Under this collaboration, we will be conducting a series of assessments (Math, Science, Learning Habits and Self-Reflection) and interventions (Practice Tests, Workbooks, Career Awareness and Goal Setting sessions, etc.) for our students this year. Benesse will help us identify the unique academic needs, learning styles and career aptitudes of your child, which we can then respond to with personalised content, mentorship support and counselling. We expect these interventions to positively influence the Board Exam results in the short-term and the professional success of a student in the long-term.

**The First round of the Practice tests for Grade IX begins from 22/4/22. Parents are requested to pay a nominal annual fee of Rs 900 along with the book set.**

We would like to encourage you to ensure that your child participates in the Benesse programme.

Thank you, for your unwavering support to the school as we embark upon such endeavours and innovations to help our children excel.

Stay Safe! Stay Blessed!

Best Regards

Principal

Ms. Ruby Chandel
